Our facilities Wäinölä and Villa Paratiisi.

Wäinölä is built 2019-2020 with 20% investment support from Ykkösakseli.

Wäinölä is accessible also with a wheelchair.

Wäinölä is built like a house of the iron age, the era of Vikings and the Kalevala.

Wäinölä is a piece of art created by passionate craftsmen.

Stories of the past come to life in Wäinölä.

Traditional Finnish music is played on the kantele.

Traditional Finnish food is prepared on the fire.

Nothern mythologies are shared.

Wäinölä is a perfect location to learn about the Kalevala, the epic story of Finland.

FEAST OF KALEVALA

Listen the stories and songs from the Kalevala, hear about our heroes of the past and dive into the history of the Finns.

Outdoors around the campfire.

Outdoors with stories of the past.

Outdoors with kick sledges.

Outdoors making handcrafts.

Outdoors in a wedding party.
